ServSafe® Program 2009

Food Safety Training and Certification

ServSafe has become the industry standard in food-safety training and is accepted in many jurisdictions throughout the United States that require employee certification. The ServSafe® Program provides updated information for employees on all aspects of food safety from receiving through serving. Upon successful completion of the course and exam, participants receive both a Certificate of completion from ServSafe and lifetime certification from the Ohio Department of Health. **The cost per student is \$175.00* which includes all materials.**

All classes will be held at Cuyahoga County Board of Health.

The application should be mailed to: 5550 Venture Drive, Parma, OH 44130
