New/Old Business

a. Create 5 Education Sessions to provide information about Ryan White Services,

1. Support Groups; and

2. Other Types of Events (TBD)

- The purpose of the sessions is to inform consumers about services not to necessarily recruit. Getting applications would be a plus.
- Naimah asks that everyone break down the continuum of care schedule and groups of two will prepare for the mini sessions. Naimah would like to start the mini sessions in June, the locations and presenters will be worked out in May.

b. Plan 2 Community Input Sessions

1. Event #1 – Location TBD

Naimah spoke with Signature Health, they need a date and time to have the community forum. Ashtabula would be the location. Naimah will present the 22nd of June as the date, at Signature health, at 12:00 until 3:00. Sharron Harris will draft a flyer for this forum.

2. Event #2 – Location TBD

Location possibilities: Recovery Resource, Circle Health, Nueva Luz, or Metro Health.

Robert Watkins shared the continuum of care meeting calendar. The committee agreed the calendar is a good source of information to identify support groups. Naimah suggested to use this list for the mini education sessions. The 2nd community forum will be held in October. Naimah will talk to Brenda Glass and Max Rodas regarding their locations and a date, and Robert will look into Recovery Resource.
