New/Old Business

a. Create 5 Education Sessions to provide information about Ryan White Services;

a. Support Groups, b. Other type of events (TBD)

A short power point needs to be created to present at each session.

Kimberlin spoke at an event at Recovery Resources; there was good turnout, and good response to her presentation. She suggests that members present at support groups they attend, this would save time and effort since they will be there any way.

Sharron states that this still needs to be planned and that data needs to be compiled from these events to help guide PSRA.

Robert presented a calendar of events that can be utilized for the Education sessions.

This was reviewed and briefly discussed. The committee needs to prioritize these meetings. Next month have some suggestions to put on the calendar.

Bryan spoke about being Undetectable – wants the committee to speak to this issue more, it might also help to keep people on their meds.

b. Plan 2 Community Input Sessions (Input for PSRA); TBD

Discuss location, date and time.

Members need to find a contact in Lorain or Lake Counties. Do a forum in the Spring in the outer counties, and plan local one in the Fall. Bryan will speak with Sr. Susan regarding a forum at her Club 95 meeting. Discussion on making the forums more interactive to keep the audience engaged. Also build scenarios that are relatable to the audience.

c. Identify & Plan a list of Capacity Building Trainings for CLC members
