

# Training Verification

## 2018-2019 Immunization Requirements for School Entry - Ohio

I verify that I attended and listened to the following information regarding immunization requirements for school entry from a local health department representative:

1. **Immunization entry requirements in Ohio schools**
  - Ohio Revised Code sections 3313.67 and 3313.671
  - Ohio Department of Health (ODH) Director's Journal
  - Immunization Summary for School Attendance, Ohio
2. **School immunization summary report requirements**
  - Annual summary report deadline (Oct 15<sup>th</sup>) to ODH
  - What should be included in each school immunization summary report
  - How to submit summary reports to ODH
3. **School immunization requirements and recommended immunization schedules**
  - Specific immunization requirements listed by grade
  - Review of ACIP birth-18 years and 'catch-up' immunization schedules
