

Your Health is in Your Hands!

**Animals carry germs
that can make you sick.**

**Please remember to wash your hands
when leaving animal areas.**

When to wash your hands?

- After touching animals
- After touching surfaces in animal areas
- Before eating or drinking
- After using the restroom
- Before preparing food

How to wash your hands?

- Use soap and warm water
- Rub hands together for at least 20 seconds
- Dry with a clean paper towel
- Alcohol sanitizers are also effective when hand washing facilities are not available
