2012-2013 Cuyahoga County Cancer Incidence and Mortality Report

Summarizing data from 2005-2009

April 2013

Acknowledgements

The Cuyahoga County Board of Health (CCBH) would like to thank The City of Cleveland Department of Public Health and The City of Shaker Heights Health Department, collectively known as the Cuyahoga County Public Health Collaborative, for supporting this project by providing countywide access to data used in this report.

Additionally, CCBH would like to thank members of the Ohio Department of Health for supporting the project. Specifically, the staff from Ohio Cancer Incidence Surveillance System (OCISS) who provided the data files.
