### Question #1

Is there a targeted group or specific communities?

### Answer #1

Women, children and families who experience disproportionate burden of infant mortality.

### Question #2

Can we target more than one community?

### Answer #2

Yes, but you are only required to target one community.

### Question #3

For the reach, do you have a targeted number per month?

### Answer #3

You are required to host at least one meeting every other month and increase participation by 10% by end of grant period.

### Question #4

What age range is the target?

### Answer #4

The age range for services are prenatal through child bearing age, however, community engagement strategies may engage persons outside of this range.

### Question #5

Are we recruiting people from the community and are they going to be part of OEI or working with OEI?

### Answer #5

OEI represents the entire county. Community engagement strategies will be specific to the identified community which may warrant additional recruitment for appropriate representation.

Question #6

How often are meetings held?

Answer #6

At least one meeting held every other month.

Question #7

Are we supposed to come up with ideas or work together with OEI?

Answer #7

Work with OEI.
