

Community Resources

There are some local community resources available to residents; however this is not meant to be an all-inclusive list.

Health Insurance

Ohio for Health www.Ohioforhealth.org 1-800-648-1176

Get Covered America <https://www.getcoveredamerica.org/connector/>

Breast and Cervical Cancer

Breast and Cervical Cancer Project (BCCP), a screening and diagnostic testing program for women 40 and older. 1-800-443-2168 <http://www.ccbh.net/breast-and-cervical-cancer-project/>

Lung Cancer

Ohio Tobacco Quit Line

The Ohio Tobacco Quit Line provides personal quit coaching and telephone counseling free of charge to Ohioans who are uninsured, have Medicaid, are pregnant or are covered through the Ohio Tobacco Collaborative, a public-private partnership that provides commercial carriers, employers and third-party administrators with access to tobacco cessation services. 1-800-QUIT-NOW (1-800-784-8669)

Radon

Ohio Department of Health (ODH) Radon Information, to request a free radon test kit. 1-800-523-4439 <http://bit.do/bH6Y3>

Radon test kits are also available at CCBH for \$10.00. For an application visit <http://www.ccbh.net/s/RadonTestKitApplication-2013.pdf>
