Vendors may submit their quotes via email or mail. Only quotes submitted by the due date and time will be considered.

Problem Statement:

The Cuyahoga County Board of Health (CCBH) is inquiring on pricing for extended residual briquettes (bacteria based) for catch basin treatment. We are looking for approximately 7,600 – (90 – 120) day briquettes and approximately 800 – (30 – 60) day briquettes. Please include any shipping and handling charges for delivery via a small straight truck with a lift.

No full size tractor-trailers are permitted on board property.

All questions related to the quote submission should be directed to Marlene Skovenski (see contact information above).

All questions related to the specifications outlined in Attachment 1 should be directed to:
