

ServSafe® 2017 Food Safety Training and Certification

Our ServSafe® Program provides updated information for employees on all aspects of food safety, from receiving through serving. This class delivers comprehensive training of key food safety concepts; the ServSafe course book is the perfect class for those managers and food service employees looking for more extensive food safety training. The ServSafe 6th Edition contains the latest *FDA Food Code* updates and is based on a new job task analysis developed exclusively by industry experts. The book focuses intently on the preventative measures to keep food safe, leading to stronger food safety practices and a better trained workforce. The contents of the ServSafe Coursebook go beyond the principles found in ServSafe Manager Book! When you successfully complete this class and exam, you will receive both a Certificate from ServSafe and a certification from the Ohio Department of Health. This is an ODH level two approved training. The cost per student is \$175.00, which includes all materials (study guide and book). www.ServSafe.com
