

CUYAHOGA COUNTY BOARD OF HEALTH

YOUR TRUSTED SOURCE FOR PUBLIC HEALTH INFORMATION

November 10, 2017

Dear Sewage Treatment System (STS) Contractor:

Enclosed you will find an application for the 2018 STS Contractor Registrations and Septage Hauler Vehicle Permits. These registrations are effective January 1, 2018 and are valid for the 2018 calendar year. Please complete the application form with all of your pertinent information. Please remember that **prior** to initiating work on an STS, it is required that that you are registered with this office.

Along with your application you are required to submit the following or your application cannot be processed and will be returned to you:

- Certificate of passing the required Ohio Department of Health Examination
- Proof of General Liability Insurance (not less than \$500,000.00)
- Proof of Statewide Surety Bond
- Proof of qualifications to service proprietary systems and components
- Proof of completion of a minimum of 6 CEU hours approved by ODH in 2017
- A copy of the Septage Hauler Truck Inspection Report for each vehicle to be registered

We have included various documents from the Ohio Department of Health (ODH) to help you in this process and additional information can be found on the ODH website at:

<http://www.odh.ohio.gov/odhprograms/eh/sewage/Contractor/contrac1.aspx>

Please note that all continuing education hours must be completed on or before December 31, 2017 in order to become a registered contractor for the 2018 calendar year.

Please feel free to contact me at (216)201-2001 EXT: 1239 with any questions or concerns regarding the STS Program.

Sincerely,
