Silver Oak – Proper Closure of C&DD site – Pre-Bid meeting

January 15, 2020 at 9:30 a.m.

Presentation

Judy Wirsching presented and reviewed the power point presentation for administrative requirements. The presentation can be found on the Board of Health website at www.ccbh.net under the “Business” tab

Barry Grisez presented more detail regarding the expectation for closing the Silver Oak landfill.

- The wetlands study has been completed and is included with the RFP packet

Questions and Answers

Q1: Are there drawings available of the property?

A1: Yes, they are part of the RFP and also available on the the flash drives in the back of the room.

Q2: Will the EPA consider the areas that have cover to be capped?

A2: OEPA has been contacted to respond to this question and CCBH is awaiting a response.

Q3: Is capping material available or does it need to be brought in?

A3: A little bit of material is on site but most of it needs to be brought in. Minimum and maximum amounts are outlined in Appendix 1-5 of the RFP. No C & DD fill is allowed. All material must be clean.

Q4: What is the time frame for the project?

A4: The successful bidder will be allotted five years to complete the project.
