

CUYAHOGA COUNTY BOARD OF HEALTH

YOUR TRUSTED SOURCE FOR PUBLIC HEALTH INFORMATION

ORDER OF QUARANTINE

To: _____ Address: _____

The Health Commissioner (“the Commissioner”) has reason to believe that you have come in contact with a person who has a communicable disease and you may have or may develop this disease. Specifically, the Commissioner believes you have come into contact with a person who has COVID-19. If you were to have this disease you would pose a substantial threat to the health of the public. To prevent transmission of this contagious disease, the Commissioner orders you be placed in quarantine in accordance with section 3707.08 of the Ohio Revised Code. The location where you are to be quarantined is your home/place of residence. The Commissioner considers this the least restrictive clinically appropriate place of quarantine given the nature of the disease with which you may have come into contact.

During this period, you may be asked to undergo a medical exam and submit bodily specimens for analysis.

If you are employed in a health care or other essential setting, your employer may require you to work if you do not have symptoms based on current guidance from the Centers for Disease Control and Prevention (<https://www.cdc.gov/coronavirus/2019-ncov/hcp/guidance-risk-assesment-hcp.html> or <https://www.cdc.gov/coronavirus/2019-ncov/community/critical-workers/implementing-safety-practices.html>). You should communicate directly with your employer about guidance on when you should return to work.

This order will be in effect until you are deemed non-contagious by the Commissioner and therefore do not pose a substantial threat to the health of the public. It is anticipated that you will need to be quarantined for at least 14 days, from _____ to _____ in order to verify whether or not you have a communicable disease.

If you leave the place of quarantine designated above, without the prior consent of the Commissioner, action will be taken as authorized under sections 3707.48, 3707.53, and 3707.99 of the Ohio Revised Code. Additionally, leaving the place of quarantine designated above, without the prior consent of the Commissioner, could subject you to criminal sanctions of imprisonment and fines.

Any questions regarding this order may be directed to _____ at _____. This order is effective immediately upon service to the above named individual.

Health Commissioner or Designee

Date

Due to the nature of community spread of the COVID-19 virus, this order was mailed on _____ to the person named above at the address listed above and is effective immediately upon receipt by the above named individual.
