##### **Item 4. Identify & Plan List of Capacity Building Training Activates for CLC Members (Mar- Oct.)**

*\*Comment:* S. Harris – For this Work plan item, (Item 4), CLC members are asked to identify capacity building training opportunities that will benefit members of the committee. This training can begin starting March through June. We can also use this opportunity to invite CLC members to make presentations. Many of you are involved in activities that members of the committee can learn from and can benefit from.

*\*Comment:* N. O'Neal – One suggestion is that people need to understand the process for remaining eligible for RW and other programs and the documents required to renew your eligibility.

##### **A- Suggested Committee Trainings:**

1. COVID Vaccine Educations – March 3, 2021
2. RW Part A and Part B eligibility – April 7, 2021
3. Understanding Your Labs to help PLWH reach undetectable status – May 5, 2021
4. HIV Criminalization Laws via the Ohio Health Modernization Movement
5. Knowledge on new Injectables
6. Job of Clinical Trials and their importance
7. Exploring other networks of PLWH/A across the country

##### **Item 5. Monitor Committee Work Plan for Compliance (March – Nov. 2021)**

### **Item 6. Assist with the Statewide Needs Assessment Initiative (Mar. – Nov. 2021)**

Leave for next steps, a presentation to be done in next S&F meeting.

### **Item 7. CLC Conducted Presentations at Planning Council (Mar. – Nov. 2021)**

We should decide and present the most important things at Full Planning Council, but we should plan the presentations as they come up or note it as to be determined.

### **Item 8. Community Based-Strategies for Successful Community Forum (TBD)**

This Task is Ongoing - we will try doing these virtually. Leave this item as is to be determined.

Bob Bucklew has granted use of the CWRU Zoom link, but we want to make sure he understands that we want to join his existing Support Group, and to just send me or Toni the link to join their Support Group meeting and we will send it to CLC members. We will also work on Lorain and smaller counties. Work group members and those they will contact: B. Jones – Sr. Susan, Joye, and We Think 4 a Change, S. Washington - Jen McMillan, R. Rolling - Bob Bucklew (CWRU), and C. Taylor – Joye. The group will also look into Zoom availability and report back.

*\*Comment:* S. Harris - We must refine the message and provide an elevator speech for those we ask to present so we clarify and confirm the presentations.

### **Item 9. Create a Workgroup to Develop Strategies around U=U, Improving Health Outcomes (TBD)**

To leave as to be determined, then revisit U=U and add to it, if needed.

### **Item 10. Quarterly Progress Report for Compliance with Committee Work Plan (Jun.–Nov. 2021)**

Remove this item from March Progress report and do the first quarterly update in June, then Sept. and the last one in Nov. 2021.

### **Item 11. Prepare 2022 Committee Work Plan (Nov. 2021)**

some of the barriers such as education, fear, dissatisfaction, and case manager roles, in order to find ways to improve utilization of oral health services. It was also suggested to conduct an Oral Health overview to gain a better understanding about the issues.

### **Review & Update Consumer Mini-Outreach Survey**

*\*Question:* J. Mazo - What are case managers doing to reach the marginalized PLWH/A population with the vaccine?

*\*Response:* N. O'Neal – Right now that's not an option for PLWH/A.
