CHC Equity Statement: Health equity is achieved when all people in a community have access to affordable, inclusive, and quality infrastructure and services that, despite historical and contemporary injustices, allows them to reach their full health potential.

CHC Principles

- **Sustainable and equitable investments:** CHC invests in policies, projects, places, and people to create and sustain equitable, inclusive opportunities for healthy eating and active living.
- **Self-awareness and empathy:** Everyone involved in CHC prepares to engage in the work by strengthening self-awareness and empathy.
- **Community-led solutions:** Community members experiencing health inequities or social marginalization partner with CHC to amplify their collective power and lead solutions for their community.
- **Organizational partnership:** Organizations partner with CHC to align with and direct resources toward community members' vision and priorities.
- **Coordinator responsibility:** CHC Coordinators approach their relationships and the work with humility, transparency, dependability, and respect for others.
