

LEAD SAFE CUYAHOGA

Many homes built before 1978 used paint that contained lead. Your home may be eligible for FREE repairs.

How Do I Qualify?

Open to owners and renters of homes in the targeted cities

Children five years old or younger living in the home

Proof of household income

What Can Be Fixed?

Windows, doors, porches, and exterior areas of the home based on condition

- Up to \$10,000 of total work per home
- Landlords required to pay a minimum of \$500

Protect Young Children

Lead is toxic to children and can cause learning and behavioral problems.

Call CCBH at 216.201.2041 or scan the below QR code to have your child tested for exposure.
